

## *Embarking on your Solution Focused Hypnotherapy career – you're not alone!*

We're sure that you're excited to start your new career as a fully qualified Solution Focused Hypnotherapist. Founded in 2010, the Association for Solution Focused Hypnotherapy (AfSFH) is the **ONLY** professional association dedicated to the discipline of Solution Focused Hypnotherapy (SFH) and its practitioners.

We're here to represent you, support you and promote the work that you do throughout your training and beyond. We take pride in our ever-growing national and international membership, and our mission is to help raise the standards and profile of Solution Focused Hypnotherapy and the work of all our members.

We're an independent body, welcoming graduates from accredited schools such as yours to enjoy the benefits of AfSFH Membership.

*"If someone is looking for a SFH, the AfSFH is the only place they need to look!"*

*"I'm so proud to be part of the AfSFH – it shows my clients that I'm a professional and someone who truly specialises in Solution Focused Hypnotherapy."*

8-10 Whiteladies Road, Bristol BS8 1PD.  
The AfSFH is a not-for-profit organisation.

## Why should I join or change to Registered Membership?

We're hoping you've already joined as a Student Member and have been enjoying the benefits of your Student Directory entry, the resources offered on our website, regular newsletters and membership of our highly supportive closed Facebook group. Once you have qualified, you are eligible to change your membership to become a Registered Member of the AfSFH. Registered Membership costs just £65 for twelve months and offers additional benefits such as:

- The right to use the AfSFH professional membership designation, AfSFH (Reg);
- A listing in our online public SFH Directory;
- A certificate of membership and downloadable membership seal that can be added to your business website;
- Hard copy of our journal, *Hypnotherapy Today*, when published, and access to the digital archives of previous editions, packed full useful and inspiring information;
- Access to our online Members' Area with templates, discounts, press releases, and business support resources;
- Access to our AfSFH Supervisor Directory;
- Access to online CPD and events listings – with member discounts on CPHT events;
- Eligibility for fast-track membership of the CNHC (Complementary and Natural Healthcare Council).

## How do I join or change to Registered Membership?

There are two routes to becoming a Registered Member with the AfSFH:

### ROUTE 1, for existing AfSFH members:

Once qualified, if you have previously been listed with us as a Student Member, please email [membership@afsfh.com](mailto:membership@afsfh.com) with the following information:

- A copy of your DSFH certificate;
- A copy of your updated insurance certificate which shows you are now covered as a fully qualified therapist;
- The name of your Supervisor;
- Confirmation that you agree to abide by the AfSFH Code of Conduct requirements for attending Supervision and CPDs.

Once we have processed this information, we'll let you know that you can log into your account and activate your Registered Membership by paying the required fee via PayPal. You'll then be automatically added to our Professional Directory and can tailor your profile to reflect your status as a fully qualified SFH.

### ROUTE 2, for brand new members:

Once qualified, if you have never been previously listed with us as a Student Member, simply go to [www.afsfh.com](http://www.afsfh.com) and follow the instructions to apply for Registered AfSFH Membership. Once your details and payment have been processed, you will be added to our Professional Directory and be able to tailor your profile to reflect your status as a fully qualified SFH.
