

Congratulations on starting your journey to becoming a Solution Focused Hypnotherapist!

Founded in 2010, the Association for Solution Focused Hypnotherapy (AfSFH) is the **ONLY** professional association dedicated to the discipline of Solution Focused Hypnotherapy (SFH) and its practitioners.

We're here to represent you, support you and promote the work that you do throughout your training and beyond. We take pride in our ever-growing national and international membership, and our mission is to help raise the standards and profile of Solution Focused Hypnotherapy and the work of all our members.

We're an independent body, welcoming students from accredited schools such as yours to enjoy the benefits of Student AfSFH Membership.

"Membership of the AfSFH is not only great value, but it's helped me as I've developed my practice."
